Re: *Dixie Power's Proposed Tariff Revisions*; Docket No. 18-066-T01

Dear Mr. Laub:

The Public Service Commission of Utah (PSC) reviewed the January 8, 2018 filing by Dixie Escalante Rural Electric Association, doing business as Dixie Power (Dixie), and the January 18, 2018 action request response by the Division of Public Utilities (DPU) regarding Dixie's notification of changes to its retail electric rates pursuant to its wholesale power cost adjustment procedure. The DPU recommends that the PSC acknowledge Dixie's revised tariff sheets containing these changes.

Based on the PSC's review of Dixie's filing and the DPU's comments, the PSC acknowledges the filing as complying with Utah Code Ann. § 54-7-12(7). Accordingly, the tariff changes are available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
