Utah Public Service Commission Representative:

We have enclosed Garkane Energy's recently approved Tariffs (See above) for the Commission's File. A public hearing was held on September 30, 2019. Notice to the Cooperative's consumer/members was given in the Southern Utah News Public Notice Section and The Insider Newspaper's Legal Section. A notice of the approved tariff was published in the Cooperative's newsletter HIGHLIGHTS to all of Garkane's members.

As per the PSC Filing Requirements, we included the original schedule, plus the revised scheduled attached to this email. We will also mail hard copies of the attached schedules.

If you require further information on this schedule, please contact me at the number below.

Sincerely,

Neal Brown / Marketing & Member Service Manager
