Re: *Garkane Energy Cooperative, Inc.'s Proposed Tariff Revisions for Schedule SC – Plant Investment Fees & Service Charges, Docket No. 19-028-T01*

Dear Mr. Brown:

The PSC reviewed the November 19, 2019 filing by Garkane Energy Cooperative, Inc. (“Garkane”) and the November 26, 2019 action request response filed by the Division of Public Utilities (DPU). The DPU represents that Garkane notified its members of a proposed tariff change, *i.e.*, modifications to Schedule SC – Plant Investment Fees and Service Charges, in advance of a public hearing on September 30, 2019, at which Garkane’s Board of Directors approved the change. The DPU recommends the PSC acknowledge the change to Garkane’s tariff.

Based on the PSC’s review of the filing and the DPU’s analysis from which the PSC infers the requirements of Utah Code Ann. § 54-7-12(7) have been satisfied, the tariff revision is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg
