Dear Mr. Tanner,

I live in your District #2, Fruitland.

Today I sent the following "Letter to Editor" to The Uintah Basin Standard and The Salt Lake Tribune

**HARD TO BELIEVE!**

I'm Bob Ducey, 80 years old, and been living in Fruitland UT in a log home we had built 10 years ago. Moon Lake is our electric company. My wife of 59 years passed away in December and the last few months have been a blur. Moon Lake told me we had to pay \$619.02 by March 12 or they would turn off the electric. On March 11 I sent them an email telling them I can pay all of the \$619.02 from this month's social security, when I receive my social security on the 3rd Wednesday every month (March 20).

Their answer:

"if we did not receive your payment before today (3/12) at 8am, your power would be shut-off"
