RE: Robert Ducey (71983-001) – PSC Formal Complaint Docket NO. 19-030-01 – Payment Resolution

Dear Robert (Bob) Ducey,

I have negotiated a payment resolution with Moon Lake decision makers, based off of an email that you sent on 3/19/2019 at 9:58am subject titled "Moon Lake Keeps power on." Below are the terms to get power restored at your property:

PAYMENT TERMS:

1. \$620.00 payment received by March 20, 2019
2. \$620.00 payment received by April 17, 2019
3. Total Balance received by May 15, 2019 (this means all past due balance plus current balance)
4. Pay current balance on bills by the 3rd Wednesday of each month, following PSC rule R746-200-7 C.

CONDITIONS:

1. Payments must be received on the dates outlined above. If payment is not received by the outlined dates, the power will be shut-off the following day.
2. If the power is shut-off for non-payment by the terms set above, in order to restore power to the property, the total outstanding balance must be paid in full, including a \$225 deposit.

Sincerely,
Moon Lake Electric Finance Team
