Attorney for Rocky Mountain Power

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power for an Accounting Order to Defer Costs Related to Repowered Wind Plants or for Alternative Relief)	DOCKET NO. 19-035-45
)	MOTION TO DISMISS
)	APPLICATION FOR
)	ACCOUNTING ORDER OR
)	ALTERNATIVE RELIEF

Rocky Mountain Power, a division of PacifiCorp (“Rocky Mountain Power” or the “Company”), submits this motion to dismiss without prejudice its above-captioned application (“Application”) for an order authorizing the Company to record and defer for future recovery certain costs and benefits, associated with the repowering of certain wind projects.

The Company submitted the Application on December 30, 2019. Utah Association of Energy Users (“UAE”) intervened, and UAE, the Division of Public Utilities (“DPU”), and the Office of Consumer Services (“OCS”) submitted testimony opposing the Application on March 4, 2020. The Company has determined not to pursue a deferred accounting order at this time and moves to dismiss its Application without prejudice. DPU, OCS and UAE have been notified and indicated that they do not object to the Company’s proposed withdrawal. Should the Commission decline to grant the motion, the Company requests to extend the deadline to file rebuttal testimony to one week from the date following the Commission’s order.

DATED this 25th day of March, 2020.

Respectfully submitted,
ROCKY MOUNTAIN POWER

Emily Wegener
