Re: *Advice No. 19-02, Rocky Mountain Power's Proposed Tariff Revisions to Electric Service Regulation Nos. 7 (Metering) and 8 (Billings); Docket No. 19-035-T02*

Dear Ms. Saba:

On May 22, 2019, the Public Service Commission of Utah (PSC) issued an Order approving PacifiCorp's requested revisions to Tariff Sheet Nos. 7R.4 and 8R.3 intended to clarify the distinction between a meter that fails to register correctly and a meter that completely fails to register any usage. The Order directed PacifiCorp to file revised Tariff Sheets with an effective date of May 22, 2019, within 15 days. On May 24, 2019, PacifiCorp filed a compliance filing as directed by the PSC.

Based on the PSC's review of PacifiCorp's compliance filing, Tariff Sheet Nos. 7R.4 and 8R.3 are approved, effective May 22, 2019.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
