Re: *Rocky Mountain Power's Proposed Changes to Schedule 73, Subscriber Solar Program Rider Optional*; Docket No. 19-035-T08

Dear Ms. Saba:

The Public Service Commission (PSC) reviewed Rocky Mountain Power's (RMP) July 23, 2020 compliance filing ("Filing") of revisions to Sheet Nos. 73.1, 73.2, 73.3, and 73.4 of Electric Service Schedule No. 73, Subscriber Solar Program Rider - Optional. In the Filing, RMP proposes changes to the filing dates and effective dates of the referenced sheets, the latter consistent with the completion of RMP's billing system upgrade, July 17, 2020. The revisions also include supporting administrative changes. The Filing was made pursuant to the PSC's November 18, 2019 Order Approving Tariff Changes ("Order") in this docket.

Based on the PSC's review of the Filing and RMP's statement that the billing system upgrade was completed on July 17, 2020, the PSC acknowledges the Filing as compliant with the PSC's Order and approves the modifications to Sheet Nos. 73.1, 73.2, 73.3, and 73.4, effective July 17, 2020.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
