Re: *Flowell Electric Association's Wildland Fire Protection Plan*; Docket No. 20-027-01

Dear Mr. Robison:

The Public Service Commission (PSC) reviewed Flowell Electric Association's ("Flowell") Wildland Fire Protection Plan ("Plan") filed on June 29, 2020 pursuant to the requirements of Utah Code Title 54, Chapter 24, Wildland Fire Planning and Cost Recovery Act ("Act"). The PSC also reviewed the July 29, 2020 action request response filed by the Division of Public Utilities (DPU) addressing Flowell's Plan.

DPU recommends the PSC acknowledge Flowell's Plan as complying with Utah Code Ann. § 54-24-203. According to DPU, Flowell's Plan addresses the Act's requirements related to electric cooperatives.

Based on the PSC's review of Flowell's Plan and DPU's comments, the PSC acknowledges that Flowell filed the Plan in compliance with Utah Code Ann. § 54-24-203(3)(d). Pursuant to Utah Code Ann. § 54-24-203(5), the Plan is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
