Commission Administrator

RE: Docket No. 20-035-21

Rocky Mountain Power's Third Annual Sustainable Transportation and Energy

Plan Act ("STEP") Program Status Report

Compliance Filing

On April 30, 2020 Rocky Mountain Power filed its third annual program status report for the Sustainable Transportation and Energy Plan ("STEP Report"). Page 19.0 of the STEP Report contained Table 1, which provided the calendar year 2019 account balance of the Utah Solar Incentive Program ("USIP"). On June 18, 2020, the Public Service Commission of Utah acknowledged the STEP Report.

In Docket No. 20-035-26, the Company filed its 2020 annual report of USIP on June 1, 2020 ("USIP Report"), which contains the same information as Table 1 of the STEP Report. In comments filed on July 1, 2020, the Division of Public Utilities ("Division") pointed out a discrepancy and recommended the Company provide corrected tables in both the USIP Report and STEP Report. Accordingly, the Company hereby files Attachment 1, which contains a corrected Table 1 to replace the Table 1 previously provided on Page 19.0 of the STEP Report.

Informal questions may be directed to Jana Saba at (801) 220-2823.

Sincerely,

Joelle Steward

Vice President, Regulation
