Re: *Deseret Generation & Transmission Cooperative's Wildland Fire Protection Plan*
Docket No. 20-506-02

Dear Mr. Rasmussen:

The Public Service Commission (PSC) reviewed Deseret Generation & Transmission Cooperative's ("DGTC") Wildland Fire Protection Plan ("Plan") filed on July 21, 2020 pursuant to Utah Code Title 54, Chapter 24, Wildland Fire Planning and Cost Recovery Act ("Act"). The PSC also reviewed the August 19, 2020 action request response filed by the Division of Public Utilities (DPU) addressing DGTC's Plan.

DPU recommends the PSC acknowledge DGTC's Plan as complying with Utah Code Ann. § 54-24-203. According to DPU, DGTC's Plan addresses the Act's requirements related to electric cooperatives.

Based on the PSC's review of DGTC's Plan and DPU's comments, the PSC acknowledges that DGTC filed the Plan in compliance with Utah Code Ann. § 54-24-203(3)(d). Pursuant to Utah Code Ann. § 54-24-203(5), the Plan is available for public inspection at the PSC.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
