Re: *Rocky Mountain Power's Proposed Tariff Revisions to Electric Service Schedule No. 94, Energy Balancing Account; Docket No. 21-035-T03; and Rocky Mountain Power's Application for Approval of the 2020 Energy Balancing Account; Docket No. 20-035-01*

Dear Ms. Saba:

The Public Service Commission (PSC) reviewed the March 3, 2021 filing by Rocky Mountain Power (RMP), proposing changes to Electric Service Schedule No. 94, Energy Balancing Account, Sheet No. 94.11 ("Compliance Filing"). The Compliance Filing was made pursuant to the PSC's Order issued on February 26, 2021.

The PSC also reviewed the March 15, 2021 filing by the Division of Public Utilities (DPU) recommending the PSC approve RMP's proposed changes to Sheet No. 94.11 as filed, effective March 1, 2021. DPU states it reviewed the workpapers included in the filing and believes they support RMP's proposed revisions.

Based on the PSC's review of the filing and DPU's comments and recommendation, the proposed revisions to Schedule 94, Sheet No. 94.11 are approved, effective March 1, 2021.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
