

# Deseret Power Cooperative Wildland Fire Protection Plan

Annual Update 2021

## Introduction -Deseret Power

No Changes necessary

## Description of Transmission Lines and Electrical Infrastructure

No Changes necessary-No new construction or additions

## Areas that may be subject to heightened risk and threat of wildland fire.

The area Fire Risk and Threat Maps have not changed since the original assessment. No Change Necessary.

## Procedures, and standards that Deseret Power will use to perform vegetation management

No changes to procedures. Annual inspections were conducted as per the procedures and during 2020 the attached list of vegetation was cleared as per the procedures (Appendices-Attachment 1). Also latest version of Vegetation Management Procedures were added (Version 17)

## Proposed modifications or upgrades to facilities and preventative programs Deseret Power will implement to reduce the risk of its electric facilities causing a wildland fire

No Changes necessary-Annual Vegetation Management completed

## Procedures for de-energizing power lines and disabling reclosers to mitigate potential wildland fires, taking into consideration

No Changes necessary

**Procedures Deseret Power intends to use to restore its electrical system in the event of a wildland fire**

No Changes necessary

**Community outreach and public awareness efforts before and during a wildland fire season**

The annual Deseret Power Cooperative Wildland Fire Protection Plan update will be sent to contact agencies and personnel.

**Deseret Power Contact List**

No Change necessary

**Coordination with US Forest Service, state or local wildland fire protection plans**

The annual Deseret Power Cooperative Wildland Fire Protection Plan update will be sent to contact agencies and personnel.

**Area Managers and Contact Information**

Contact information updated and additional contacts added to Attachment 4-(Appendices-Attachment 2)

**Attachment 1**

**Infrastructure Overview Map**

No Change necessary

**Wildland Fire Risk & Threat Index**

No Change necessary

**Attachment 2**

**Surface Land Management**

No Change necessary

**Attachment 3**

**Utah Land Ownership Public Map**

No Change necessary

**Attachment 4**

**Forestry, Fire, and State Contacts**

Updated contacts and added to this update additional attachments (Appendices-Attachment 2).

**Attachment 5**

No Change necessary
