RE: Docket No. 98-2035-04: PacifiCorp/ScottishPower Merger.

---

On April 10, 2003, the Division of Public Utilities and PacifiCorp submitted the attached agreement on establishing baselines for PacifiCorp's performance standards 1 and 2 for Commission approval. Recently, we became aware of that, in submitting the agreement, we did not attach a memorandum requesting Commission approval. Instead, the request for approval was put in the agreement document. Consequently, the Commission did not issue an order regarding this agreement. Therefore, the Division is hereby requesting the Commission to evaluate and approve the attached agreement.
