BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of)
PacifiCorp for Approval of its Proposed) Docket No. 99-035-10
Electric Rate Schedules and Electric) First Data Request Directed to PacifiCorp
Service Regulations)

For each of the following requests, please provide a response to each question on a separate page of paper with the following: (1) identify the person responding, (2) repeat the question, and (3) provide the response. Responses to multipart questions may be placed on a single page, if appropriate.

1. In the Task Force on Low-Income Issues formed by the Utah PSC following Docket No. 98-035-01, PacifiCorp prepared various calculations using the residential customers who are coded as receiving HEAT assistance during the 1997 Test Year. For the customers coded as receiving HEAT assistance during the 1998 Test Year, please provide:

- A. For the 1998 Test Year, please provide calculations showing the cost of providing a Lifeline Rate credit of up to \$8.00 per month on low-income customers bills, i.e. the sum of an amount of \$8.00 for each monthly customer bill greater than or equal to \$8.00 and an amount equal to the monthly customer bill for each customer bill less than \$8.00.

- B. Please provide the monthly number of HEAT customers for the test year.
- C. Please provide the average monthly cost per customer by rate schedule if the cost calculated in part A is recovered from all customers except special contracts on a revenue basis.
- D. Please provide the average monthly cost per customer by rate schedule if the cost calculated in part A is recovered from all customers except special contracts on a revenue basis, but with the amount recovered from any customer capped at \$20.00 per month.
- E. Please provide the average monthly cost per customer by rate schedule if the cost calculated in part A is recovered from all customers except special contracts on a revenue basis, but with the amount recovered from any customer capped at \$50.00 per month.
- F. Please provide the average monthly cost per customer by rate schedule if the cost calculated in part A is recovered from all customers except special contracts on a revenue basis, but with the amount recovered from any customer capped at \$100.00 per month.
