**PETITION FOR LEAVE TO INTERVENE OF  
THE LAND AND WATER FUND OF THE ROCKIES**

---

Pursuant to the Rules of Practice and Procedure of the Utah Public Service Commission (Commission), the Land and Water Fund of the Rockies (LAW Fund) hereby petitions for leave to intervene in the above-captioned docket and, in support thereof, states as follows:

1. The LAW Fund is a regional environmental law and policy center serving the Rocky Mountain states. The LAW Fund’s Energy Project promotes energy efficiency, renewable resources, air pollutant emissions reductions and other measures to help minimize the environmental impacts of meeting the demand for energy services. The LAW Fund has a Utah office, a Utah steering committee, a Utah board member, and members who live in Utah and are PacifiCorp ratepayers.

2. The LAW Fund has an interest in the above-captioned proceeding because the outcome of a rate case can have significant potential financial implications for long-term customer and public interests including investments in energy efficiency, renewable energy, air pollutant emissions reductions and other measures to minimize the environmental impacts of electricity production and consumption.

3. Intervention by the LAW Fund will not unduly broaden the issues or delay the proceeding.

4. The LAW Fund requests that all pleadings, correspondence, discovery, and other documents be served on the following:

Eric Blank  
Land and Water Fund of the Rockies  
2260 Baseline Road, Suite 200  
Boulder, CO 80302

5. The LAW Fund does not currently know what evidence, if any, it will present in this proceeding.

WHEREFORE, the LAW Fund respectfully requests that the Commission grant it leave to intervene in the above-captioned docket.

Dated this 5th day of November, 1999.

Respectfully submitted,

---
