DOCKET NO. 00-035-15

ORDER SUSPENDING SCHEDULE

-----

ISSUED: April 3, 2002

By The Commission:

On January 24, 2002, the Commission issued a Revised Procedural Order in this Docket establishing a schedule for further proceedings. On March 5, 2002, PacifiCorp filed PacifiCorp's Application to Initiate Investigation of Inter-jurisdictional Issues in Docket No. 02-035-04 ("Application"). The Application requested that the Commission open a new docket to examine inter-jurisdictional issues and take part in a multi-state process to study those issues. On April 3, 2002, we issued an Order on the Application approving an investigation of inter-jurisdictional issues and participation in a multi-state process.

On March 15, 2002, a technical conference was held in this Docket. The subject of the technical conference was the Application and its impact on this Docket. The Division of Public Utilities proposed that if the Application and similar applications in its other states were granted, the schedule in this Docket could be suspended. PacifiCorp had no objection to suspending the schedule in this Docket under those conditions subject to reinstatement of the schedule on time frames and procedures consistent with those in the Revised Procedural Order in the event PacifiCorp requests lifting of the suspension. No party objected to this proposal.

Based upon the foregoing and good cause appearing, the Commission makes the following procedural order.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

1. The schedule in this Docket set forth in the Revised Procedural Order issued January 24, 2002, is suspended.
2. If PacifiCorp requests that the Commission lift the suspension and reinstate the schedule and procedures in this Docket, the Commission will convene a scheduling conference to establish a revised schedule in this Docket.

DATED at Salt Lake City, Utah this 3<sup>rd</sup> day of April, 2002.
