DOCKET NO. 00-035-15
REVISED PROCEDURAL ORDER

ISSUED: January 24, 2002

By The Commission:

On September 27, 2001, the Commission entered a Procedural Order in this docket establishing a schedule for further proceedings and dealing with procedural issues. On December 21, 2001, the Division of Public Utilities filed a Motion To Continue Hearings and Filing Dates in this docket and in Docket No. 01-035-23 (Hunter Docket). The Division also noticed a hearing on the motion for January 3, 2002. The basis of the motion was that Division testimony in the Hunter Docket was due to be filed on January 18, 2002 and that Becky Wilson, who was a major scheduled witness for the Division in the Hunter Docket had recently taken a position with the Commission. Therefore, the Division requested that the schedule in the Hunter Docket be continued for one month. Hearings were scheduled in the Hunter Docket for April 1-5, 2002. A one-month continuance in the hearings would place them in conflict with the hearings scheduled to commence May 6, 2002 in this docket. Therefore, the Division also requested a continuance of the schedule in this docket for at least one month.

On January 2, 2002, the Commission was advised that PacifiCorp did not oppose the motion. Accordingly, on that day, the Commission issued its order in both dockets granting the motion of the Division and canceling the hearing set for January 3, 2002. The order also directed counsel for PacifiCorp to prepare a draft scheduling order to be submitted to the Commission.

On January 9, 2002, while the parties were in the process of discussing a revised schedule, a Technical Conference was held in this docket. During the technical conference, the parties discussed and agreed upon revisions to the schedule in this docket which had the practical effect of continuing the testimony filing dates and hearings previously scheduled in this docket for at least one month.

Based upon the foregoing and good cause appearing, the Commission makes the following procedural order.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

1. The following schedule shall govern further proceedings in this docket, in lieu of the schedule set forth in the Procedural Order issued September 27, 2001, unless otherwise ordered by the Commission:

2. The dates in the foregoing schedule after July 17, 2002 may be adjusted on July 17, 2002 depending on the status of the matter at that point in time. They are based on the parties' agreement in the January 9, 2002 technical conference that, if it appears unlikely that consensus will be reached upon a solution on that date, the matter will proceed to hearing prior to the end of 2002.

6. In addition to serving paper copies of pleadings, motions, testimony, discovery requests, discovery responses and other filings by mail, hand delivery or overnight courier, at the discretion of the serving party, the parties shall also serve

these documents by electronic mail on parties entitled to receive them that have provided an electronic mail address. With respect to this additional form of service, it is understood that documents that are not available electronically will be either hand-delivered, faxed or sent by overnight courier to parties who would otherwise be entitled to receive service of them by electronic mail.
