By The Commission:

On February 15, 2006, Utah Power & Light (“PacifiCorp”) submitted a tariff filing regarding proposed changes to Regulation 9 and to Schedule 300. The purpose of the proposed changes to Regulation 9 and Schedule 300 is to eliminate the \$150 ceiling on residential security deposits. Comments on the proposed tariff changes were filed March 14, 2006 by the Division of Public Utilities (“Division”). The Division recommended approval of the proposed changes to Regulation 9 and Schedule 300 contingent upon certain further language changes suggested by the Division and agreed to by PacifiCorp.

By Order Suspending Tariff dated March 16, 2006, the Commission suspended the tariff filing to permit additional analysis and discussion of the problem to be solved by the proposed changes, as well as the propriety of those changes.

Therefore, **notice** is hereby given that a **Technical Conference** will be held at **9:30 a.m., Tuesday, May 16, 2006**, Room #427, Fourth Floor of the Heber M. Wells State Office Building, 160 East 300 South, Salt Lake City, Utah. The purpose of this Conference is to provide PacifiCorp the opportunity to further explain its proposed changes to Regulation 9 and Schedule 300 and to provide a forum for all interested parties to discuss this matter.
