Re: In the Matter of the Application of Questar Gas Company to Adjust Rates for Natural Gas Service in Utah
Docket Nos. 98-057-12, 99-057-20, 01-057-14, and 03-057-05.

Dear Ms. Orchard:

By letter dated September 20, 2005, the Utah Committee of Consumer Services requested from the Commission, and received, an extension of time until September 22, 2005, for it and the Division of Public Utilities ("Division") to file written responsive testimony in the above captioned matter.

Settlement efforts are continuing with a sufficient prospect of success that the Committee, with the approval and support of counsel for Questar Gas Company and the Division, requests a further extension of time to file Committee and Division responsive testimony.

In the event settlement efforts do not succeed, the Committee and Division will file their responsive testimony by close of business, September 28, 2005; and Questar Gas Company will file its rebuttal testimony by close of business, October 24, 2005.

The Commission's consideration of this request is appreciated.

Respectfully yours,

Reed T. Warnick
Assistant Attorney General
Counsel for the Utah Committee of
Consumer Services
