) DOCKET NO. 05-057-T01
) THIRD AMENDED
) SCHEDULING ORDER
)

ISSUED: June 22, 2006

By the Commission:

On December 16, 2005, Questar Gas Company (Questar Gas), the Utah Division of Public Utilities (Division), and Utah Clean Energy (collectively, Joint Applicants) filed an Application seeking approval of a Conservation Enabling Tariff and Demand-Side Management Pilot Program (Pilot Program) and a proposed \$10.2 million rate reduction. On March 2, 2006, the Commission issued its Second Amended Scheduling Order in this matter. On May 15, 2006, pursuant to the schedule, the Committee, Utah Association of Energy Users (UAE) and the Utility Ratepayers Association (URA) filed rebuttal testimony on the Pilot Program issues. Thereafter, on May 30, 2006, the Commission noticed a Technical Conference on Pilot Program issues that was held on June 7, 2006. At the Technical Conference, Commission Staff raised questions that were addressed by the parties. At the conclusion of the Technical Conference, the parties were urged to provide any additional information responsive to the Staff's questions in testimony.

On June 16, 2006, Questar Gas, the Division and the Committee filed a Joint Motion to Modify Schedule, requesting that the Commission modify the schedule set forth in the Second Amended Scheduling Order to provide additional time for the parties to address the questions raised by Commission Staff. The Joint Motion represented that the UAE did not object

to the modification of the schedule requested, that the movants were attempting to contact other parties, but had been unable to determine their positions, and that the movants were not aware that any party objected to the Joint Motion.

Based on the foregoing and good cause appearing, the Commission issues the following Third Amended Scheduling Order:

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED that the schedule previously established in this proceeding be modified as follows unless otherwise ordered:
