Stipulation Position Statement of Salt Lake Community Action Program

Salt Lake Community Action Program (SLCAP) files this position statement regarding the Stipulation submitted for approval in this docket on or about February 15, 2007, by Questar Gas Company, the Division of Public Utilities, the Committee of Consumer Services and several other intervening parties in this case. Salt Lake Community Action Program typically does not sign stipulations that do not have a direct positive impact on the low income households that it represents in Salt Lake and Tooele counties. Therefore, SLCAP did not sign on to support the Stipulation, but neither does it oppose it.
