Representative for Emery County

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

Application to Remove GSS and EAC Rates From Questar Gas Company's Tariff	Docket No. 06-057-T04 **EMERY COUNTY'S SUPPORT OF CHANGE OF VENUE**

Please email an electronic copy of your Response to: econdev@co.emery.ut.us

Your Response is not considered received until the electronic copies are furnished and received.

Emery County supports the request submitted by Rob Adams, representing Beaver County, to change the venue of the public hearing to the community of Beaver. We believe it is in the best interests of our communities to hold the hearing in a community that is directly affected by the outcome of the hearing.

Travel to Beaver is essentially the same distance as to Salt Lake City, however, for the above mentioned reasons; we respectfully ask that you grant the request for change of venue.

RESPECTFULLY SUBMITTED: January 8, 2007.

Michael McCandless

Representative for Emery County
