BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH	
RE: APPLICATION TO REMOVE GSS AND EAC RATES FROM QUESTAR GAS COMPANY'S TARIFF	MOTION TO INTERVENE Docket No. 06-057-T04

COMES NOW, Garfield County, a political subdivision of the State of Utah and hereby submits this Motion to Intervene.

This is a motion to intervene allowing Garfield County to become a party to this application and to receive any and all correspondence on the application which was filed by Questar Gas Company. This case obviously affects Garfield County due to the fact that some of the tariffs and rates being discussed are situated in the County of Garfield, State of Utah and because this party may be directly affected by the decision of the Public Service Commission. Garfield County is currently paying surcharges to Questar and has done so for a number of years. If this tariff were to be removed, the County and its citizens would benefit substantially.

Because the County clearly has standing in this appeal, the County seeks intervention and seeks all rights to the proceedings.

Respectfully submitted this ____ of November, 2006.

Garfield County Attorney
