BEFORE THE
PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application to
Remove GSS and EAC Rates from
Questar Gas Company's Tariff

Docket No 06-057-T04

REQUEST FOR RECONSIDERATION OF
NOTICE OF ADDITIONAL HEARING AND
RESPONSES TO UTAH COMMITTEE OF
CONSUMER SERVICES' REQUEST FOR
CLARIFICATION AND MEMORANDUM

-
1. On February 13, 2007 Roger J. Ball filed a request for an additional 30 days in which to review the stipulation on the proposed settlement agreement in the above-referenced docket.
 2. It is the opinion of the Beaver County Economic Development Corporation and all its member communities which include Beaver City, Milford City, Minersville Town and Beaver County, that Mr. Ball's request should be denied forthwith.
 3. The rural parties to this case have been participating in this process in good faith for many months. We find it most unlikely that any new information will come forward in an additional 30 day period. It is further our opinion that all issues have been adequately aired in public and that it is time to bring this process to a close.
