**STATEMENT IN SUPPORT OF THE
GSS/EAC STIPULATION**

Docket No. 06-057-T04

Carbon County Economic Development hereby submits this statement in support of the GSS/EAC Stipulation dated February 15, 2007.

1. Carbon County Economic Development supports the above reference stipulation regarding the proposed resolution in the GSS/EAC matter.
2. This stipulation was reached following many months of effort by many parties to correct inequities in certain rural communities throughout the state.
3. The stipulation cures the problems that exist with the current GSS/EAC rate structure. The stipulation further places these rural communities on a more level playing field with respect to attracting industrial growth and development in rural economies.
4. We urge the Commission to adopt this settlement without delay.

Director
