By The Commission:

On June 28, 2007, in response to a request from the Division of Public Utilities ("Division"), the Commission issued a Notice of Extension for Filing of Comments extending to August 3, 2007, the deadline for interested parties to file comments on the Integrated Resource Plan filed by Questar Gas Company ("Questar Gas") on May 1, 2007.

On July 26, 2007, Questar Gas filed a Motion for Continuance ("Motion") requesting that the deadline for interested parties to provide comments be extended to September 4, 2007, to provide Questar Gas with additional time to fully develop its comments and address the issues raised by the Commission's Request for Comments issued June 4, 2007. Questar Gas states it has discussed the Motion with the Division and the Committee of Consumer Services, both of which indicated they do not oppose Questar Gas's request.

The Commission has concluded that it will grant the extension for all comments. Therefore, notice is hereby given that comments will be due on or before September 4, 2007.

DATED at Salt Lake City, Utah, this 31<sup>st</sup> day of July, 2007.
