Dear Julie:

*Re: Non-binding notice of intent to file a General Rate Case*

On December 14, 2005, a Report of the Filing Requirements Subgroup of the Test Period Task Force in Docket No. 04-999-05 was submitted to the Commission (Report). While this Report has not been ruled upon by the Commission, the Company nevertheless intends, to the extent possible, to comply with the general requirements provided in the Report. In keeping with the requirements provided in the Report to give notice at least 30 days prior to the Company's anticipated filing date, the Company hereby submits its non-binding notice of intent to file a general rate case on or after December 10, 2007.

Very truly yours,

Barrie L. McKay
