

Qualifications of Brent A. Bakker

Current Responsibilities

As a Senior Regulatory Affairs Analyst, I assist in the preparation and filing of general rate cases, pass-through cases and other general tariff and compliance filings. I have been part of the State Regulatory Affairs team since 2004.

Prior Responsibilities and Experience

I have been employed by Questar Gas for 20 years. I have a broad range of experience based upon my responsibilities in the following departments: Credit/Collections, Business Office, Billing Control, Measurement and Allocations, Account Management/Industrial Marketing, and State Regulatory Affairs.

Educational Background

I received a Bachelor of Science degree in sociology from Brigham Young University in 1995. I completed GTI's Chartered Industrial Gas Consultant certification program in 2004. I participated in the 26th Annual Western NARUC's Utility Rate School in May 2005. I am currently enrolled in the University of Utah's Executive MBA program.
