*Re: Questar Gas's updated model in Docket No. 07-057-13*

Dear Ms. Orchard:

Pursuant to discussions held in the technical conference on Cost of Service and Rate Design held on July 1, 2008, in Docket No. 07-057-13, some of the parties present requested Questar Gas to update its model to include the percentage increase resulting from the Commission's Report and Order on Revenue Requirement (Order) issued June 27, 2008

In addition, the Commission sent a letter on July 10, 2008 requesting that the Company submit tariff sheets implementing the Commission order in time for full review. The Company will make the tariff sheets available by July 25, 2008, and will provide the updated model at that time.

If you have any questions, please feel free to contact me.

Very truly yours,

CLB/gj
