Re: Questar Gas's Tariff Sheets in Docket No. 07-057-13

Dear Ms. Orchard:

On July 25, 2008 the Company submitted tariff sheets implementing the Commission's Report and Order on Revenue Requirement, issued June 27, 2008. The tariff sheets were scheduled to become effective on August 15, 2008. Those sheets were submitted to comply with the Commission's July 10, 2008 letter directing the Company to file replacement tariff sheets reflecting an equal percentage rate adjustment.

Subsequent to the July 25, 2008 submittal, but prior to the August 15, 2008 effective date, the Division of Public Utilities informed the Company of a problem with tariff sheets 2-2 and 2-3. The Company had inadvertently not included the CET and DSM amortization amounts in the DNG rate for the GS-1 and GSS rate classes.

Please find attached the two corrected replacement tariff sheets. The Company requests that the Commission substitute the sheets enclosed herein under Attachment 1 for the sheets submitted on July 25, 2008. We apologize for any inconvenience or misunderstanding this may have caused.

If you have any questions, please feel free to contact me.

Very truly yours,

Colleen Larkin Bell
