## MEMORANDUM

**To:** Public Service Commission of Utah  
Attn: Steve Goodwill, Administrative Law Judge

**From:** Utah Division of Public Utilities  
Phil Powlick, Director  
Artie Powell, Energy Section Manager

**Date:** July 2, 2008

**Subject:** Docket No. 08-057-11, In the matter of the Consolidated Docket of Formal Complaints Against Questar gas Company Relating to Back-Billing

### REQUEST

The Division of Public Utilities (Division) requests that the Commission delay the schedule in the above mention docket seven (7) business days. Under the current schedule, the Division is to file its report on July 9, 2008. If the Commission grants the Division's request, the Division would file its report on July 18, 2008.

### DISCUSSION

In its order dated April 21, 2008, the Commission established the schedule for this docket. Under this schedule the Division is to file its report on July 9, 2008. Other interested parties, including Questar Gas Company (QGC) and the

Committee of Consumer Services (Committee) are to file reply comments or rebuttal testimony on August 15, 2008; surrebuttal testimony or reply comments are scheduled for August 15, 2008. The hearing in this matter is scheduled for August 21-22, with public witness day scheduled on August 21, 2008 from 11:00 a.m. to 1:00 p.m. or later if necessary. The Division is requesting that each of these scheduled dates be delayed by at least 7 business days as follows:

Event	Original Deadline	Proposed Deadline
Report/Direct Testimony (Division)	July 9, 2008	July 15, 2008
Reply Comments/Rebuttal Testimony	August 8, 2008	August 19, 2008
Reply Comments/Surrebuttal Testimony	August 15, 2008	August 26, 2008
Hearing	August 21-22, 2008	Commission Discretion
Public Witness Day	August 21, 2008	Commission Discretion

The Division is not proposing a specific date for the hearings at this time, but notes that September 2-3, 2008 would be a delay of eight business days.

The Division and the Committee have exchanged data requests with the Company and the Division is pursuing its analysis of the data and review of related legal and regulatory issues. The delay would allow the Division to follow several additional issues and complete its analysis. The Committee and the Company have indicated that they would not oppose a delay in the Division's filing, as long as there is a corresponding delay in the remainder of the schedule.
