Subject: Fwd: Questar Rebates

>>> Paul Nelson <pauljohnnelson@gmail.com> 3/23/2009 1:06 PM >>>
 I respectfully request that any change to the Questar rebate program be postponed until September 30, 2009. My company is hiring dozens of Utah collage students to market insulation this summer and the rebates are a very important part of our program. Any change to the rebates before September will make it necessary for me to lay off these deserving students and others.
