**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

**IN THE MATTER OF QUESTAR GAS  
COMPANY'S QUARTERLY LINE  
DAMAGE REPORT FOR THE 2ND  
QUARTER OF 2017**

**DOCKET NO. 11-057-05**

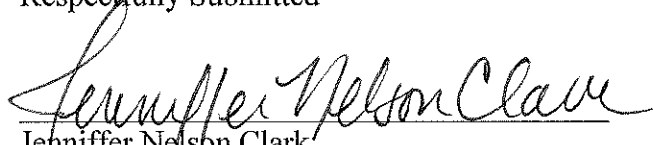

**DOMINION ENERGY UTAH'S  
MOTION TO DEVIATE FROM  
ELECTORNIC FILING  
REQUIREMENT**

The undersigned, representing Dominion Energy Utah (Dominion Energy or Company) hereby moves the Public Service Commission of Utah (Commission) for permission to deviate from the electronic filing requirement set forth in Utah Admin. Code R746-1-203. Pursuant to Admin Code R746-1-109(2), movant attests that the rule imposes a hardship that outweighs the benefit(s) of the rule.

Dominion Energy is prepared to file its Second Quarter Line Damage Report in the above-referenced docket (Report) with the Division of Public Utilities, with a copy being filed with the Commission. However, the Report contains Confidential Information and Dominion Energy does not yet have access to the Commission's SFTP system. Dominion Energy is currently working with its IT department and the Commission Staff to implement the new SFTP protocol so that confidential information can be filed electronically. The Company realizes the importance of filing the Report in a timely manner but, to do so, it must deviate from the rule in this instance. Therefore, the Company moves the Commission for leave to deviate from the rule in filing the line damage report.

Dated this 7<sup>th</sup> day of August 2017.

Respectfully Submitted

  
Jennifer Nelson Clark
