Re: Docket No. 12-057-13, Wexpro II Agreement  
Docket No. 30010-123-GA-12, Wexpro II Agreement

Dear Commissioners:

During the Utah hearings on approval of the Wexpro II Agreement (“Agreement”) in Docket No. 12-057-13, on January 30 and 31, 2013, the Commission raised questions regarding Section II-2(e) and Exhibit C to the Agreement. In response to those questions, the Parties to the Agreement have carefully reviewed the Agreement and all of the exhibits to the Agreement and have decided that Section II-2(e) on page 8 of the Agreement and two of the exhibits, Exhibit B and Exhibit C, page 1 of 2, should be replaced.

Accordingly, page 8 of the Agreement and Exhibits B and C, page 1 of 2, in the Agreement should be removed and replaced with the enclosed page 8 (Replacement) of the Agreement, Exhibit B (Replacement) and Exhibit C, page 1 of 2 (Replacement), respectively. This replaced page 8 and exhibits do not change the intent of the Agreement in any way, but simply correct clerical oversights in the originally filed Agreement.

We apologize for any inconvenience caused by the clerical oversights in these pages as originally filed. Please let us know if you have any questions regarding these replacement pages.

Very truly yours,

---
