BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

**In the Matter of the Application of
Questar Gas Company to Increase
Distribution Rates and Changes and
Make Tariff Modifications**

Docket No. 13-057-05

**JOINDER OF CIMA ENERGY LTD IN
SUMMIT ENERGY'S OBJECTION
AND EMERGENCY MOTION FOR
STAY**

CIMA ENERGY LTD ("CIMA") hereby joins in and supports the Objection to Unilateral Change in Procedure and Emergency Motion for Stay filed in this docket on June 23, 2014, by Summit Energy, LLC ("Summit"). In support of this Joinder, CIMA represents as follows:

1. CIMA participated in the scheduling and nomination task force meetings required by the settlement stipulation and the Commission Order approving the same in this docket.
2. CIMA concurs with Summit that Questar Gas Company ("QGC") acted without authority by abruptly terminating task force discussions and unilaterally imposing a significant change in long-term scheduling and nomination practices without the consent of the other parties

and without Commission approval.

3. CIMA believes that QGC's procedural changes will cause competitive harm, diminished gas supply options and higher costs for Utah businesses, and should not be permitted.

4. CIMA respectfully submits that sufficient basis exists under R746-100-16 for the Commission to deviate from its normal rules and schedule a hearing on Summit's emergency motion prior to the intended implementation date of July 1, 2014.

5. CIMA submits that there is no compelling reason for QGC's unauthorized procedural change to take effect on July 1, many months prior to the beginning of the next heating season. CIMA thus joins Summit's request for the Commission to schedule an emergency hearing on this issue on the afternoon of June 30, 2014.

DATED this 24th day of June, 2014.
