**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

<b>In the Matter of:</b>	Docket No. 13-057-13
<b>The Application of Questar Gas Company for Approval to Include Property Under the Wexpro II Agreement</b>	<b>Office of Consumer Services' Motion to Reset Scheduling Conference</b>

COMES NOW the Office of Consumer Services (“Office”) and respectfully requests the Commission reset the Scheduling Conference currently set in the above identified Docket. On October 7, 2013, the Commission issued a Notice of Scheduling Conference in this matter, setting Tuesday, October 22, 2013 at 2:00 pm as the time when the Parties should come prepared to set schedule deadlines in this matter. The Director of the Office, Michelle Beck, has an irreconcilable scheduling conflict at this time. Furthermore, the Office’s Counsel has a previous commitment to attend conference conducted by the National Association of Attorneys General, and will be in session at 2 pm on this day. Accordingly, the Office respectfully requests the Commission reset the Scheduling Conference for 1 pm on October 22, 2013. The Office has communicated with Questar Gas Company (“Company”) and the Division of Public Utilities

(“Division”), and is authorized to represent that these parties have neither objection nor concern to this minor time adjustment. In the event that the Commission is unable to make the modification requested above, the Office would propose a second alternative of Monday, October 21, 2013, at a time convenient to the Commission. Again, neither the Company nor the Division have objection to this alternative schedule.

Submitted this 10th day of October, 2013.
