Re: Docket No. 13-057-13

Dear Mr. White:

Please find enclosed a replacement disk containing an electronic copy of the Confidential PowerPoint presentation given at the November 22, 2013 technical conference in the above-referenced docket. I have also attached some additional information requested during that same technical conference (FDR 1.1 and FDR 1.2). Again, the parties have already received copies of these documents.

Please contact me if you have any questions or concerns.

Sincerely,

Jenniffer Nelson Clark
