RE: Docket No. 13-057-18, "In the Matter of Questar Gas Company's Replacement Infrastructure 2014 Annual Plan and Budget"

Dear Mr. McKay:

The Utah Division of Public Utilities (Division) reviewed Questar Gas Company's (Company) November 15, 2013, filing addressing the 2014 Replacement Infrastructure Annual Plan and Budget. The Division concludes the filing is in compliance with the reporting requirements approved by the Commission in the June 3, 2010, Report and Order in Docket No. 09-057-16, "In the Matter of the Application of Questar Gas Company to Increase Distribution Non-Gas Rates and Charges and Make Tariff Modifications." The Division recommends the Commission acknowledge the filing as being compliant with the proper reporting requirements. The Division also recommends that the Company file an updated budget in the first quarter of 2014.

The Commission concurs with the Division's recommendation and acknowledges the 2014 Replacement Infrastructure Annual Plan and Budget as meeting the Commission's reporting requirements. The Commission also requests that the Company file an updated budget in the first quarter of 2014.

Sincerely,

/s/ Gary L. Widerburg
