BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF THE APPLICATION OF QUESTAR GAS COMPANY'S PROPOSED TARIFF PURSUANT TO UTAH CODE ANN. §58-55-308.1	Docket No. 14-057-13 APPLICATION
---	--

Pursuant to Utah Code Ann. § 58-55-308.1, Utah Code Ann. §54-4-1 *et seq.*, and Utah Administrative Code § R746-100 *et seq.*, Questar Gas Company (Questar Gas or Company), respectfully requests the Utah Public Service Commission (Commission) to approve changes in its existing PSCU Tariff No. 400 (Tariff) as more specifically set forth herein.

During and following the Utah State Legislature's 2014 Legislative Session, the Legislature passed, and the Governor of Utah signed, H.B. 171, Natural Gas Facilities Amendments, now codified as Utah Code Ann. § 58-55-308.1. The referenced statute contemplates that a gas corporation will approve individuals to become Qualifying Installers (as defined in the statute) of natural gas facilities, and that its tariff will contain provisions related to standards and specifications for construction of certain natural gas facilities.

In an effort to comply with the provisions of Utah Code Ann. § 58-55-308.1, and to more clearly set forth the circumstances under which Questar Gas must provide service

utilizing facilities constructed pursuant to that statute, Questar Gas respectfully files this Application seeking the approval of Tariff language addressing those issues. The Company attached that language hereto, in both legislative and final format, as QGC Exhibits 1 and 2.

WHEREFORE, Questar Gas respectfully requests that the Commission, in accordance with its rules and procedures and the Company's Tariff:

1. Enter an order authorizing Questar Gas to implement the proposed Tariff changes.

DATED the 20th day of June 2014.

Respectfully submitted,

QUESTAR GAS COMPANY
