Re: **Docket No. 14-057-T02, Compliance filing regarding Docket No. 13-057-05.**

RECOMMEND APPROVAL

The Division of Public Utilities (Division) recommends the Public Service Commission of Utah (Commission) accept the finalized tariff sheets submitted by Questar Gas Company (Company) on May 20, 2014, with an effective date of March 1, 2014.

ISSUE

On April 7, 2014 the Commission issued its order in Docket No. 14-057-T02 approving all of Questar's proposed tariff changes, except for changes discussed in the order to Sections 2.01, 4.01, 4.02, 5.05, and 5.06, which were not approved. The Company was directed to file proposed tariff changes for those sections in a separate docket. Also in the April 7, 2014 order the Company was ordered to file revised tariff sheets consistent with the decisions in the order, the Company filed the completed tariff sheets with the Commission on May 20, 2014. An Action Request to the Division to investigate and review for compliance was issued on May 20, 2014. This is the Division's response to that Action Request.

DISCUSSION

The Division has reviewed the finalized tariff sheets and notes they are in compliance with the tariffs approved by the Commission on April 7, 2014 and therefore recommends the Commission accept the tariff sheets for inclusion in Questar Gas Company Utah Natural Gas Tariff PSCU 400.
