## ACTION REQUEST RESPONSE

To: Utah Public Service Commission

From: Utah Division of Public Utilities

Chris Parker, Director

Artie Powell, Energy Section Manager

Carolyn Roll, Utility Analyst

Date: May 28, 2014

Re: **Docket No. 14-057-T03, Compliance filing regarding Docket No. 14-057-T02 and Docket No. 13-057-05.**

## RECOMMEND APPROVAL

The Division of Public Utilities (Division) recommends the Public Service Commission of Utah (Commission) accept the finalized tariff sheet submitted by Questar Gas Company (Company) on May 21, 2014, with an effective date of March 1, 2014.

## ISSUE

On May 14, 2014 the Commission issued its order in Docket No. 14-057-T03 approving all of Questar's proposed tariff changes to Sections 2.01, 4.01, and 4.02. In the Commission's April 7, 2014 order in Docket No. 14-057-T02 the Company was directed to file proposed tariff changes for the above sections in a separate docket. The Division reviewed the proposed changes and recommended the Commission approve the proposed tariff changes, with the inclusion of revised tariff language for the minimum yearly charge definition in Tariff section 4.01. The Commission ordered the Company to file a revised tariff sheet for Section 4.01, the Company

filed the completed tariff sheet with the Commission on May 21, 2014. An Action Request to the Division to investigate and review for compliance was issued on May 27, 2014. This is the Division's response to that Action Request.

## **DISCUSSION**

The Division has reviewed the finalized tariff sheet and notes it is in compliance with the tariff approved by the Commission on May 14, 2014 and therefore recommends the Commission accept the tariff sheet for inclusion in Questar Gas Company Utah Natural Gas Tariff PSCU 400.
