Re: Docket No. 14-057-T05

In the Matter of the Application of Questar Gas Company
for Authority to File a Change in its Existing Tariff

Dear Mr. McKay,

The Commission has reviewed the initial and amended tariff sheet revisions filed by Questar Gas Company (“Questar”) on July 9 and September 18, 2014, respectively, in Docket No. 14-057-T05 entitled above. The revisions address Section 8.02, Billing Procedures, of Questar’s PSCU Tariff No. 400 pertaining to the service period and proration procedures.

The Office of Consumer Services and the Division of Public Utilities filed comments on October 9 and October 15, 2014, respectively, recommending the Commission approve the amended tariff sheets filed by Questar on September 18, 2014. The advice letter number, section revision number, effective date, and page numbers, however, are absent on the amended tariff sheets.

The Commission approves the September 18, 2014, proposed tariff sheet revisions as filed with an effective date of November 1, 2014. The Commission requests Questar file finalized tariff sheets with the missing information within two weeks of the date of this letter.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
