Re: Docket No. 15-057-06 Questar Gas Company Results of Operations Report for the Twelve Months Ended December 31, 2014. In the Matter of Questar Gas Results of Operations Report for the Utah Jurisdiction for the Twelve Months Ended December 31, 2014

On April 30, 2015, Questar Gas Company (“Company”) filed with the Commission its December 2014 Results of Operations and Model for the twelve months ended December 31, 2014. On May 1, 2015, the Commission issued an Action Request to the Division requesting a review of the filing and to make recommendations. On May 14, 2015, the Commission issued an Amended Action Request to the Division requesting a review of the filing and to make recommendations and to provide additional analysis. The Commission asked the Division to report back by June 1, 2015.

Upon initial review of the filing, the Division has determined that the review will require requests for information from the Company. Under the current process, data requests issued would require a 30 day turnaround. Additional follow-up data requests to the Company would require an additional 30 Days. Therefore, the Division is hereby requesting that the Commission extend the due date of the Division’s response to the

Action Request to August 31, 2015. This will allow the Division adequate time to make the proper review and recommendations.
