Re: Advice No. 15-04 in Docket No. 15-057-T04, In the Matter of Questar Gas Company's Proposed Tariff Revisions

Dear Mr. McKay,

The Commission has reviewed the proposed tariff sheets transmitted with Questar Gas Company's application dated June 9, 2015, in Docket No. 15-057-T04 entitled above. The proposed tariff changes address the supplier non-gas rates, the gas commodity rate, and the conservation enabling tariff amortization rate approved by the Commission in Docket Nos. 15-057-04 and 15-057-05 for Questar's GS, FS, NGV, and IS rate schedules.

The Division of Public Utilities (Division) reviewed the proposed tariff sheets filed on June 9 and recommends the Commission approve them as filed as they reflect the Commission's decisions in Docket Nos. 15-057-04 and 15-057-05.

Based on the Division's review and recommendation, and the lack of opposition by any other party, the Commission approves the proposed tariff sheets filed on June 9 with an effective date of June 1, 2015.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
