RE: Notice of Agreement and Plan of Merger between Questar Corporation and Dominion Resources, Inc.

Dear Commissioners:

Questar Gas Company (Questar Gas) and Dominion Resources, Inc. (Dominion) respectfully submit this notice to the Idaho Public Utilities Commission (Commission) that on January 31, 2016, Questar Gas' parent, Questar Corporation, Dominion and Diamond Beehive Corp. (a subsidiary of Dominion created solely for this transaction) entered into an Agreement and Plan of Merger (Merger) by which Questar Corporation will become a wholly-owned subsidiary of Dominion.

Pursuant to the applicable statutes, rules and regulations in Utah, Questar Gas and Dominion have filed a Joint Notice and Application regarding the Merger with the Utah Public Service Commission. We have enclosed, for your information and convenience, four copies of the Joint Notice and Application, with its accompanying exhibits and testimony which together provide greater detail about the Merger and the benefits that Questar Gas' customers in Idaho, Utah and Wyoming will realize as a result of the Merger.

Pursuant to the applicable statutes, rules and regulations in Wyoming, Questar and Dominion have filed a Joint Application for the approval of the Merger with the Wyoming Public Service Commission as well. The Wyoming Joint Application, testimony and exhibits are substantially similar to those filed in Utah.

Dominion is a strong and well-financed company that makes safety its highest priority. It has made commitments that will be of substantial value to the customers, employees, communities and states served by Questar Gas. Included are commitments that will assure that Questar Gas (which will be known as Dominion Questar Gas) remains a Utah-based company and that its operations will continue in the same manner. Dominion Questar Gas will continue its tradition of providing safe and reliable service at reasonable cost to its customers in Utah, Idaho and Wyoming. Regulation of Questar Gas will not be

affected by the Merger. Dominion will make available increased financial and managerial resources to Dominion Questar Gas, and Dominion Questar Gas employees will receive the benefit of increased funding of their pension and OPEB plans. Dominion is committed to the environment and will maintain the environmental monitoring and maintenance programs of Dominion Questar Gas at or above current levels. Dominion will also increase charitable contributions in the communities served by Dominion Questar Gas and will maintain or increase historic levels of community involvement, low income funding, and economic development efforts in Questar Corporation's operation areas.

If you have any questions or concerns, please contact me.

Sincerely,
