Docket No. 16-057-15

Dear Commissioners:

On page 15, paragraph 35 of Questar Gas Company's (Questar Gas or the Company) Application in Docket No. 16-057-15, the Company found a typographical error in the sentence which reads, "The Company also expects the 2017 program budget to increase by 11% and the related gas savings to decrease by 25%." The word "decrease" in the sentence is incorrect and should be changed to read, "...related gas savings to **increase** by 25%." QGC Energy Efficiency Exhibit 1.10, filed along with the Application in this docket, correctly show the 25% savings increase (Column I, Line 17). The savings increase is also correctly modeled in QGC Energy Efficiency Exhibit 1.11 (Line 1).

Respectfully Submitted,

Michael A. Orton
