

P.S.C.U. Docket No. 18-057-03
OCS Data Request No. 3.04
Requested by Division of Public Utilities
Date of DEU Response August 10, 2018

OCS 3.04: Please provide a copy of the list of all primary receipt and delivery points and quantities of gas to be assigned to each receipt and delivery point for NNT service as provided to Dominion Energy/Questar Pipeline pursuant to subsection (3)(e) of the pipeline's tariff.

Answer: The Company's NNT contract with DEQP states that all receipt and delivery points are "the same points as held by Shipper under its firm transportation service agreement MT 241". These receipt and delivery points were provided in response to data request OCS 1.04.
