Dominion Energy Utah, Affiliated Interest Report.

ISSUE/REQUEST

On July 2, 2018, the Commission issued an Action Request due by August 1, 2018 to the Division for a review of Dominion Energy Utah's Affiliated Transaction Report.

The Division is in the process of determining and requesting the information necessary to comply with the Commission's request and finds that additional time will be required to complete this review. The Division anticipates it will file a report as soon as practicable but no later than November 8, 2018. Therefore, the Division requests the Commission extend the due date to November 8, 2018.
