Re: *Dominion Energy's Gas Line Coverage Letter – Updated Section 8.08 of the Dominion Energy Utah Tariff*; Docket No. 18-057-07

Dear Mr. Mendenhall,

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) October 17, 2018 filing to update Section 8.08 of its Utah Natural Gas Tariff No. 500 (Tariff). The filing proposes the addition of the following language to Tariff Section 8.08 pursuant to the PSC's October 4, 2018 Report and Order (Order) in this docket: "The billing services offered hereunder for Dominion Energy customers who contracted for third-party services on or before October 4, 2018 may continue. No third-party billing services may be made available to third-party billers or their customers who contracted for services after that date." The filed Tariff sheets suggest a date of October 5, 2018 to effectuate this Tariff change.

The PSC also reviewed the Division of Public Utilities' (DPU) comments filed on October 24, 2018. The DPU concludes DEU's proposed language in Tariff Section 8.08 is sufficient to satisfy the PSC's Order. Therefore, the DPU recommends the PSC approve DEU's proposed Tariff language.

Based on the PSC's review of DEU's filing as well as the DPU's comments, DEU's proposed modifications to Tariff Section 8.08 are approved as filed, effective October 5, 2018.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
